

XXXVIII EUROMED

CONVENTION

GRIMALDI GROUP

24>27 September
Forte Village • Sardinia

THE EVENT

The Euro-Med Convention «From Land To Sea» is an international event organized by the Grimaldi Group in the most beautiful venues across the Mediterranean Sea.

The event is composed of a Conference, a Gala dinner and different side activities.

The Conference aims at promoting the debate among stakeholders on various issues concerning short sea shipping and, in particular, the motorways of the sea, such as the role this mode of transport currently plays in Europe's transport system.

The Conference is followed by a Gala dinner which hosts about 700 distinguished guests.

THE CONFERENCE | PARTICIPANTS

The Conference gathers every year participants among which:

Representatives of the European Commission

Representatives of National Governments

Port and Maritime Authorities

OEM's top managers

Representatives of the financial sector

Top experts in the shipping, logistics and automotive sector

Representatives of the media

Top managers of the Grimaldi Group and its subsidiaries and commercial agencies
