# XXV EUROMED CONVENTION

## THE EVENT

The Euro-Med Convention «From Land To Sea» is an annual international event organized by the Grimaldi Group in the most beautiful venues across the Mediterranean Sea.

The event is composed of a conference, a Gala dinner and different side activities.

The Conference aims at promoting the debate among stakeholders on various issues concerning short sea shipping and, in particular, the motorways of the sea, such as the role this mode of transport currently plays in Europe's transport system.

The Conference is followed by a Gala dinner which hosts about 700 distinguished guests.

## THE CONFERENCE | PARTICIPANTS

The Conference gathers every year participants among which:

- ★ Representatives of the European Commission
- ★ Representatives of National Governments
- ★ Port and Maritime Authorities
- ★ OEM's top managers
- ★ Representatives of the financial sector
- ★ Top experts in the shipping, logistics and automotive sector
- ★ Representatives of the media
- ★ Top managers of the Grimaldi Group and its subsidiaries and commercial agencies
